

Play **BINGO** with Dentsply Sirona

Road Map to Schick Demo

Probing Questions

Do you have digital x-rays in your office right now? Yes No

What brand? _____

How long have you had your sensor(s)/ scanner for? _____

Is your current system covered under warranty? Yes No

Do you pay annual or monthly fees for your current system, if so approximately how much?

Do you receive x-rays from other offices that are clearer than yours?

If you could change one thing with your current system, what would it be?

Why a Demo?

- ▶ You can compare side-by-side your own x-rays vs. the amazing details of the Schick images using your own x-ray generator.
- ▶ Dentsply Sirona is offering a rebate to trade-up your old system so you will actually get real \$ for your old system.
- ▶ Have a demo now so you don't wait until your current system breaks down and forces you to make a bad decision - be proactive and make a better informed decision!
