Road Map to Primescan Demo

Probing Questions

Which intra-oral scanner are you currently using?

Trios iTero Medit

How long have you had it and how has the experience been thus far?

Have you ever had a chance to use a scanner? Yes No

How much are you paying in monthly subscription fees?

How much did you initially pay for the scanner?

When would you like to book a demo to try out the Primescan?

Why a Demo?

- ▶ The Primescan gives not just one new point of view but one million. The innovative Smart Pixel Sensor processes more than 1,000,000 3D points per second, producing photorealistic and highly accurate data.

What you see is what you get

- ▶ Due to Primescan's ability to scan at an incredible data density, it delivers complete 3D structures of everything in its field of view - right from the very first scan.

Primescan AC with Connect Software

- Supports data transfer options to your preferred partners
- Secure and encrypted data transfer through Connect Case Centre Inbox
- Easy upgradability to full chairside workflow
